Vs.

Ms. B. D'souza i/by M.P. Vashi & Associates for Petitioner.

CORAM: F.I. REBELLO &

DATE : 5th June, 2006

P.C.:

. The Petitioner by the present Petition seeks to challenge the resolutions of respondent corporation whereby there was increase in ponding charges in the matter of stray cattles. From the resolution, it can be seen that the Corporation found that the charges as levied was inadequate to meet the cost of maintaining the stray cattles which were kept in the pond establishment. Accordingly after following the procedure the increase in ponding charges. It is this order which is subject matter of the present petition.

. It is open to the respondent considering that they are maintaining the cattle pond to increase the charges. The record is self indicative that between the year 1997 to 2003 when they propose to increase the charges, there was 300% increase on the maintenance charges. Once that be the case, we are clearly of the opinion that no case made out for this court to exercise its extra ordinary

jurisdiction. In the light of that, Petition dismissed.
